

MORRIS FEDERATION AGM AND DAY OF DANCE with MORTIMER'S MORRIS Nottingham – 24th September 2016

The Morris Federation and Mortimer's Morris extend a warm welcome to all members of the Federation to join us in a day of dance in Nottingham on Saturday 24th September 2016, followed by the Morris Federation AGM at 4.30pm (4pm sign-in) at the Canalhouse.

Our base for the day will be the function room above the Canalhouse, 48-52 Canal St, Nottingham, NG1 7EH; telephone 0115 955 5060. We will have the function room for the whole day and will have someone there all the time, so it will be possible to leave stuff there while you are out dancing. This will be where you need to register in the morning (please aim to arrive between 0930h and 1000h), and will be the venue for the AGM in the afternoon. The function room is wheelchair-accessible via a lift.

All dance spots are close to the city centre and within easy walking distance from the Canalhouse and from each other. Mortimer's Morris stewards will show you the way.

There will be a lunch break in the schedule and sides can make use of one of the many eating establishments in the city centre.

There will be a ceilidh in the evening (at the same venue) with the well-known Peeping Tom Ceilidh Band, with Martyn Harvey as caller; a chance to wind down and enjoy good company.

The Canalhouse is a canalside pub in a former Fellows Morton and Clayton canal warehouse dating from 1894 (with a canal arm actually entering the bar area). It specialises in real ales and ciders, as well as stocking over 250 world beers. Food is available and the pub have indicated that they would not be averse to music sessions in the bar. The pub is less than a quarter of a mile from Nottingham railway station and from the Station Street tram stop. Note that there is no car parking at the pub.

The proposed programme for the day and information on transport and accommodation are included in the following pages, along with a booking form.

If your side would like to join us, please return this form to the address indicated by 9th July 2016. Places at the ceilidh are strictly limited and will be sold on a first come first served basis.

GETTING THERE

Sides will need to arrange their own transport to and from Nottingham. There are various options, as described below.

For those using SatNav or wanting to find Canalhouse on a map, its postcode is NG1 7EH, national grid reference is SK573392 and geographical coordinates are latitude 52°56.90'N; longitude 1°8.91' W.

By train

Nottingham railway station is served by the Midland Main Line, providing services from London, Bedford, Kettering, Leicester and Sheffield. It also enjoys through services from Liverpool and Manchester, Cardiff and Birmingham, Norwich and Peterborough, Worksop and Mansfield, Lincoln, Matlock and Derby.

From the railway station main entrance, turn right onto Carrington Street, continue for 200m, crossing over the canal, and turn left at the traffic lights onto Canal Street. The Canalhouse entrance is in 40m on the left, through gates leading into a cobbled yard, just past the Fellows Morton & Clayton pub.

By road

Nottingham is close to the M1 motorway and has good links to the west via the A50 and the M42 and to the east via the A46 and A52. Public car parks in the centre are shown on the following 'parksmart' map but it may be better to make use of the park and ride facilities linked to the centre by the tram system and then get the tram to the Nottingham Station stop. Park and ride car parks are available at:

- Phoenix Park – 1¼ miles from M1 junction 26, via A610. [Tram journey 25 minutes]

From the Nottingham Station tram stop, walk up Station Street with the railway station on your left; at the top turn right and follow directions as from the station (see above).

By air

Nottingham is close to East Midlands Airport and the Skylink Express bus connects the airport with Nottingham Railway Station (every half hour, takes 34 minutes).

Tram

Nottingham has a tram system providing local transport and rapid access from several park and ride facilities (see network map included in these notes).
